

We aim to make your bidding experience as

CLEAR

as possible. Please note the following BIDDING RULES:

No Reserve

These auctions have a starting bid of zero and the asset is sold to the highest bona fide bidder.

With Reserve

Sellers set a minimum price they are prepared to take for an asset. When the reserve price is reached, the highest bidder at the end of the auction owns the asset. If the reserve price is NOT met the HIGHEST bidder has a right to submit their maximum bid to the seller which the seller has 48 hours to accept or reject.

No Vendor Bidding

Clear Asset DOES NOT permit the making of a bid on behalf of the Vendor or Auctioneer. Furthermore, Clear Asset employees, or their representatives are NOT permitted to bid on auction. Only bids submitted from bona fide registered bidders will be accepted.

Commission

Please note that all prices EXCLUDE buyer commission. Please refer to Terms and Conditions for Buyer Commission.
